Parent Portal New Enrollment Registration Form

The Goshen Central School District is pleased to offer parents the opportunity to securely view information online about their children who are enrolled in our schools through a new computer program, “Parent Portal.”

Information that can be viewed about your children in the Parent Portal includes report card grades and emergency contact information as well as schedules and five-week progress reports. This will vary by school.

When your Parent Portal account is created, you will receive a notification at your e-mail address with the link to the Parent Portal and your password. If you would like to have an account in the Parent Portal, please complete the information at the bottom of this letter.

Only one registration per family is necessary. With one log-in you will be able to access your entire family’s information.

✂----------

Parent/Guardian Name_____

Student Name _____

Please indicate your e-mail address in the boxes below. Please print legibly, one character per box. Please indicate the difference between similar characters such as O and ~~0~~, or I and 1.
