

Email, Phone Number or Secondary Mailing Address Change Form

The Goshen Central School District makes every effort to maintain student and family data accurately and safely. When you request that the district change your telephone numbers, emails or secondary mailing address on file with the district, we ask that you complete this form and return it to the guidance office/main office of your child's school. Should you have children in multiple buildings, you should return one copy to each building. For convenience, you may scan a signed copy and email it to the respective buildings as well. Valid parent/guardian photo identification must be included with this form.

If you opt to email the form, please send it to:
