- A student who has a parking permit and is late for school three times will be subject to the following action: In addition to the policy on lateness that already exists, a third late will result in a warning that he/she is in jeopardy of losing parking privilege due to lateness. On the fourth late, administration will attempt to warn the student that he/she is in jeopardy of losing his/her parking privilege. On the fifth late the student will have his/her parking privilege revoked. The student may become eligible to have their parking privilege restored after review at the end of the semester (on or around January 30).
