## **Goshen Central School District Student Code of Conduct**

### *Statement of Understanding*

Goshen Central School District requires that all students or their parents/guardians acknowledge in writing that they have been informed on how to access the district code of conduct or have been given a copy containing an outline of school policies and procedures.

A copy of the Goshen Central School District's Code of Conduct will be on file in the main office of all school buildings and is also available on the district's website: [http://goshenschoolsny.org/Forms/2012\\_13/CodeofConduct.pdf](http://goshenschoolsny.org/Forms/2012_13/CodeofConduct.pdf). Students and parents are advised to refer to the District's Code of Conduct for a complete statement of district policies relating to student conduct and discipline, including the Dignity for All Students Act.

I have been informed on how to access Goshen Central School District's Code of Conduct and have been given the opportunity to review its contents. I acknowledge that if I do not understand any provisions of this code it is my responsibility to seek out clarification from the Administration.
