GOSHEN, NY 10924

## SchoolMessenger for Substitutes

The Goshen Central School District uses the SchoolMessenger Notification System to provide timely communications to employees and families. Substitutes must opt-in to receive SchoolMessenger notifications via the contact information that they have on file with the district.

If you would like to receive text message when schools are delayed or closed due to inclement weather, please fill out the form below and return it to a school secretary or supervisor. Substitutes will not receive e-mails or phone calls.

Once your information is input into the district's nVision employee database, you will receive a text message inviting you to opt-in to SchoolMessenger text messages for the Goshen Central School District. Follow the directions to opt-in. **Please wait at least 5 business days after turning in your form to receive the invitation text message.**

If you do not receive an invitation text message, contact Public Information Specialist Christina Gore at 615-6765 or [christina.gore@gcsny.org](mailto:christina.gore@gcsny.org).

If you decide not to opt-in, you can still learn about school closings and delays by visiting the district's website [www.goshenschoolsny.org](http://www.goshenschoolsny.org) and social media (Facebook and Twitter) and listening to local radio stations.
