

Smart Schools Bond Act

Stakeholder Engagement Meeting

Thank you for attending the Smart Schools Bond Act Stakeholder Engagement Meeting for the Goshen Central School District.

The Smart Schools Bond Act of 2014 was passed in the 2014-2015 Enacted Budget and approved by the voters in a statewide referendum held during the 2014 General Election on Tuesday, November 4, 2014. The Smart Schools Bond Act authorized the issuance of \$2 billion of general obligation bonds to finance improved educational technology and infrastructure to improve learning and opportunity for students throughout the State.

Pursuant to the requirements of the Smart Schools Bond Act, the planning process must include consultation with parents, teachers, students, community members, the nonpublic schools located in the district and other stakeholders. Superintendents will certify in their submissions of Smart Schools Investment Plans that the required stakeholder engagement has occurred. Once stakeholder engagement has occurred, the district will complete its proposed Smart Schools Investment Plan and the school board will adopt it. Today's meeting will serve as meeting the requirement for this portion of the application process.
