

SAS PTO

WINTER NEWSLETTER

HIGHLIGHTS

STEM NIGHT- The PTO is working on our first STEM night which will be our January family fun night. (Jan20th-time TBD) We are reaching out to vendors who can donate their time and activities to help support our event. Some of our teachers graciously offered to help in the development of this event. If you have a business or have access to a vendor that would be willing to help our school please contact the SAS PTO.

DID YOU HEAR?

YEARBOOK- The Yearbook committee has been hard at work preparing our 2016-2017 SAS Yearbook. If you order by January 13th you will get the best price of \$20.00! The price will then increase to \$25.00. This year ALL orders will be done online. If ordering online is not possible please let your child's teacher know or contact the PTO directly and we will help you complete the order.
